The Nature Conservancy - Our
Mississippi, Our Future

*Although we partner on
environmental issues, we do not
endorse any political candidates.

Brainerd Lakers United for the Environment (BLUE)

Brainerd Lakers United for the
Environment is an inclusive group of
people working to support the health
of the environment through
communication, advocacy and
cooperation with broader networks to
promote scientifically-sound solutions
on issues of climate change and water
quality in the Brainerd Lakes Area.
We are “feet on the ground”
developing actions to protect our local
environment.

*We are nonpartisan; everyone is
welcome.*

Meets every second Thursday at
Gregory Park, or the First
Congregational Church, 415 Juniper
St., Brainerd in bad weather*.
